Hi Everyone,

Well, it is that time of year so this will be the last Report. Considering the previous two Club years of Covid and not being able to meet, and this year the problem with getting Demonstrators to attend, we feel the Club even though some nights were light on, went well. Thank you to those members who were turning up. During 2022 we had Open Workshops at Advance and Jill's House, we had Quentin in October on Natives with his Saturday teaching workshops being held at Jill's home, and in September he kindly came down again to replace Don, as Don was unable to travel from N.S.W. at the last minute. During the year we had a triple demonstration (three people shaping the exact same tree), there was a display, demonstration and discussion on Mini Trees, Raft Styles, Air Layering, care of tools and wiring of trees, and a workshop night with deciduous trees. Steve and I would like to congratulate the following members who were elected unopposed for 2023 and thank them for their service throughout 2022. We also wish all of our members a wonderful Christmas and New Year. See you all on the 18th January, 2023.

President—Steve Jarrold

Vice President & Web Site Jeffrey Nankervis

Secretary—Jillian Lewis

Treasurer—Gwen Robinson

Committee—Elaine Mancell
